## **Spring 2008 Technical Training Schedule**

We are pleased to announce the schedule for the 2008 Technical Training Classes for Yazaki Gas-Fired and Water-Fired Chiller/Heaters. Classes will be held in two sessions as follows:

**K-Series Double-Effect Gas-Fired Chiller/Heaters**      **May 19 – 23** (5 days)

**WFC-SC/SH Water Fired Chillers and Chiller/Heaters**      **June 2 – 5** (4 days)

The scope of the training includes emphasis on absorption theory, electrical and mechanical controls, burner setup, troubleshooting (including use of simulators), and hands-on experience (K-Series training only).

Training will be provided free-of-charge at our Dallas office during normal business hours. Each participant will be responsible for the cost of his travel, lodging, and meals. Please note that a rental car is recommended. A list of nearby hotels is found on the next page.

Service Manuals will be provided for your use during the class and can be purchased to take home for future reference. You are asked to bring a pocket calculator with square root function. To reserve your place in either class, please FAX your registration to the number on the form.

Please be advised that class size is limited. All possible efforts will be made to accommodate those who desire to attend. Also, please be advised classes will be subject to cancellation due to insufficient enrollment. Therefore, we recommended you confirm your class reservation prior to purchasing airline tickets.

We look forward to meeting with you in Dallas during 2008.

Best regards,

Chris McCord  
Training and Tech Services Manager
